

Short system information concerning Håkan Sträaf-Jan-Erik Thomasson

We don't have any brown sticker conventions. The closest thing is the 2♦ Multi opening showing a loose weak two bid in either major or a strong balanced hand with 21-22 hcp.

The only defensive bids that might require a discussion is our defence versus a strong 1♣/♦.

| | |
|----|-----------------------------------|
| D | At least 4-4 in ♦+♠, destructive. |
| 1X | Natural overcall |
| 1N | At least 4-4 in ♣+♥, destructive. |
| 2♣ | ♣ or ♦+♥. |
| 2♦ | ♦ or ♥+♠. |
| 2♥ | ♥ or ♠+♣. |
| 2♠ | ♠ or ♣+♦. |
| 2N | ♣+♥ or ♦+♠. |

The same methods are used after (1♣) - p - (1♦)/(1♦)-p-(1H). After a positive response to 1♣/1♦, overcalls are natural, no trump bids are unusual and doubles are destructive and for take-out.
